

We Need Your Help

Have you ever dreamed of being on the radio? Are you passionate about local issues? Languages? Politics? Life long learning? Gardening? Music? Culture?

**We Want
YOU!**

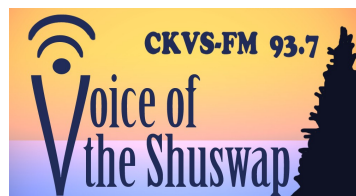

Community radio is run entirely by volunteers drawn from the society membership. Training and

equipment is provided to help you produce your own radio program. Perhaps you might like to keep our music library organized. Volunteers will be needed for office work. All kinds of support are necessary.

Your annual membership fees will help us finance community radio in the Shuswap. Sign up today; you will be contacted by phone or email.

Voice of the Shuswap is a member of the National Campus and Community Radio Association www.ncra.ca

Voice of the Shuswap

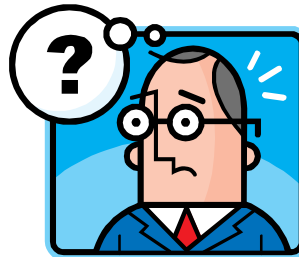

CKVS-FM 93.7
Your
Community
Radio Station

Community radio informs, entertains, challenges, binds, unhinges, harmonizes, inspires, invigorates, and soothes. It raises awareness about racial, social, identity, cultural, environmental and political issues. Community radio ushers change and affects public policy.

Community radio is built and operated by volunteer members. It draws people from areas of the community who are typically missed by the mainstream media. As Voice of the Shuswap grows it will become an integral part of our community.

Who is the Voice of the Shuswap?

The Voice of the Shuswap Broadcast Society is a nonprofit registered under the BC Society Act. The purpose of the society is to launch and operate a community radio station in the Shuswap.

We believe that by bringing people from the community together, through the radio, we could build a stronger and more vibrant community in the Shuswap.

Please visit our website to see the individual and business sponsors who are already supporting Voice of the Shuswap. Thank you!
