### **Special Presentations and Other CKVS News**

#### **Funding**

Keep your fingers crossed - while this year is another belt tightening year for the Federal Budget, there are conversations happening about funding for Campus, Community, and Indigenous stations. The NCRA has continued to lobby core funding, a percentage of income from the online streaming act, and a portion of government advertising dollars be set aside for our sector. More about what is being done can be read here: (<https://ncra.ca/mycommunitymyradio/>)

#### **Community Voices**

If you are shopping in the downtown area, please stop in at any of the businesses we've been chatting with and let them know you heard their conversation on the Voice. All our chats are being uploaded to our website, [voiceoftheshuswap.ca](http://voiceoftheshuswap.ca), and you can find them under the [podcast menu](#). If you own a business downtown and would like to participate in the project, please contact us at [cv@voiceoftheshuswap.ca](mailto:cv@voiceoftheshuswap.ca) or leave a message at 250 463 5026. The goal of our project is to help create more interest in our downtown by featuring our locally owned businesses. Our small city has a number of small and unique stores that we all want to see thrive. Even if you feel your business doesn't need any further PR, your participation could help other merchants. As always, we are grateful to the Community Radio Fund of Canada (CRFC) for funding our project!
